About this opportunity

This school-based traineeship with Pharmacy for Life gives you the chance to gain paid, hands-on experience in the service industry while completing a nationally recognised qualification – **Certificate III in Community Pharmacy**.

What you'll be doing

As a school-based trainee in this role, your tasks and learning will include:

- ✓ Assisting customers with everyday **health and pharmacy products** (e.g. cough & cold, skin care, analgesics, vitamins).
- ✓ Helping customers with **prescriptions** under supervision (e.g. receiving, paying, handling).
- ✓ Providing excellent **customer service** (e.g. greeting, handling inquiries, resolving minor customer issues).
- ✓ Following **point-of-sale procedures** and managing stock transactions.
- ✓ **Receiving and managing stock** – checking deliveries, organising inventory, and keeping shelves stocked.
- ✓ Creating **visual merchandise displays** and supporting promotions or marketing activities in the store.
- ✓ Supporting the **safe and compliant handling of pharmacy medicines**, including assisting with over-the-counter (S2/S3) products under supervision.
- ✓ Applying **infection control practices** and following workplace health & safety procedures.
- ✓ **Working effectively** as part of the pharmacy team – coordinating tasks, assisting others, and gaining exposure to the daily workflow of a pharmacy.

About you

Pharmacy for Life is looking for students who are enthusiastic to learn and ready to be part of a caring team. To be successful in this traineeship, you should bring:

- ✓ A **friendly and positive attitude** when working with customers.
- ✓ **Good communication skills** and confidence speaking with people of all ages.
- ✓ A willingness to **learn new skills** and take direction from experienced staff.
- ✓ **Reliability and commitment** to both your school studies and your workplace shifts.
- ✓ An interest in **health, wellbeing, and customer service**.
- ✓ The ability to work well as part of a **team** and show initiative.

This opportunity is ideal for students who want to build real workplace skills, gain experience in healthcare, and create pathways to future careers in pharmacy.

Eligibility

To be eligible for a school-based traineeship, you will be:

- ✓ An Australian Citizen, Permanent Resident, New Zealand Citizen, or eligible Visa holder
- ✓ Currently in year 10 or 11
- ✓ Not currently enrolled in a VETis funded qualification

Why Pharmacy for Life Wurtulla

At Pharmacy for Life, you'll be part of a friendly team that cares about people and their health. As a school-based trainee, you will learn real skills like, helping customers, assisting with prescriptions, and understanding everyday pharmacy products. Priceline offers a supportive place to learn, with clear career pathways and opportunities to grow in the healthcare industry.

Why choose a school-based traineeship

A school-based traineeship means you get paid to work while completing a nationally recognised qualification. You'll undertake the minimum paid working hours across the duration of the program. By the time you finish, you'll have real work experience, a qualification that's valued across Australia, and a head start on your career – all while still at school.
