Identification and school documents

- Each child's birth certificate. This must be sighted by the school Enrolments Officer.

Enrolment Questions and Answers

Who can attend Maroochydore SHS?	All students (years 7-12) living within the catchment boundary. Refer to the Enrolment section of our school website to check your eligibility.
How is a student's year level decided?	The age of the student is one criterion used by Queensland schools to make decisions about year level placement. Schools also take into consideration the work undertaken by the student in their previous school, and the student's attributes. The final decision is made by the Principal, in consultation with parents.
Who can enrol a child in school?	Applications for enrolment may be made by a 'parent' of the child. However, state school principals also have discretion to enrol a student who is a child without parental consent, where the school principal is satisfied that the enrolment is in the child's best interest.
Does the child have to be enrolled using their legal name?	Yes. A child must be enrolled using their legal name (as recorded on their birth certificate). The legal name will appear on semester reports unless parent/s specifically request that the preferred name only is used. If the use of a preferred name is requested, then this is the name that should be used for the child in the school community and on internal school documents such as class rolls.
When a student changes schools, how is their record transferred?	<p>If a prospective student in Queensland is enrolling from a non-state school to a state school (or vice versa), principals are able to request the student's record is transferred from the old school to the new school via a Transfer note.</p> <p>Records of students transferring their enrolment from one Queensland state school to another Queensland state school can be accessed by principals through the OneSchool database.</p> <p>In cases where a student has moved from interstate, principals, with consent from parent/s or the independent student, are able to obtain student information from the previous school using the Interstate student data transfer note.</p>
I have a student with a verified disability. Who should I speak with?	Contact the MSHS Head of Diverse Learning via the Office to make an enrolment enquiry appointment
What do we need to bring to an Enrolment interview?	Refer to the Enrolment checklist. Please note, an enrolment interview cannot progress if all documents have not been provided/sighted
Are uniforms compulsory?	Yes and are able to be enforced under the Education Act 2006. The Maroochydore SHS P&C provides a uniform service to all families through the Uniform Shop.
What happens on the first day of school?	If it is the first day of school in Term 1, all students will be directed to meet at a specific location identified via our school website and Facebook page. At other times throughout the year, students (including senior students) should come to the main Office at 8:15am to receive their timetable, locker code, have their ID photo taken and meet with their year level staff member.
What do I bring on the first day of school?	Visit our website for a current stationery list for each year level. You can bring your BYoD device and visit our library to get this networked to our system. If you have transferred from outside Education Queensland bring your device on the 2nd day of school to allow time for enrolment rollover
What time does school start?	Years 7-10 students start school at 8:35am. Year 11 & 12 students start school at 7:25am and attend scheduled classes over four days. The school day concludes at 2:35pm.
How do I get information about bus timetables?	Phone CDC Queensland 5476 6622 or visit their website www.cdcqueensland.com.au

Application to enrol in a Queensland State School

This sheet contains information on how to complete the Application for Student Enrolment Form (SEF-1 Version 7).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol an applicant if they are entitled to enrolment. While not exhaustive, a list of matters which may affect an applicant's entitlement to enrolment are included on the front cover of the enrolment form.

Questions which must be answered*

The Application for Student Enrolment Form contains a number of questions marked with an (*) which must be answered. These include – Prospective student demographic details, Prospective student address details, Family details, Religion – Religious Instruction, Country of birth, Emergency contact details, Prospective student medical information, Court orders and the Application to enrol. These questions and consent are considered necessary to ensure the school can undertake its administrative and care responsibilities.

Sections of the form not marked (*) are optional. However, failure to complete these sections may result in the school not being eligible for important Federal and State Government funding.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are being asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Sighting of birth certificate

Schools are required to sight a prospective student's birth certificate. An alternative to a birth certificate will be considered where it is not possible to obtain a birth certificate (e.g. person born in a country without a birth registration system – passport or visa documents will suffice). Prospective mature age students that provide appropriate photographic proof of identity do not need to present a birth certificate.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Evidence of Prospective Student's Immigration Status

This section is required to be completed when a prospective student is not an Australian citizen and information is required to be recorded about their passport and visa.

Medical information and emergency contacts

A prospective student's medical condition, symptoms, management and medication/s must be documented. Medical conditions may include (but are not limited to) seizures/epilepsy, fainting, diabetes, asthma, heart problems, anaphylaxis and allergies (such as food or insect stings). Parents must indicate if they are an emergency contact. Three additional emergency contacts are also required.

Religion – Religious Instruction

Applicants are asked if they would like the prospective student to participate in religious instruction. From Year 1, the prospective student may participate in religious instruction if it is available.

If you tick 'No' or if the nominated religion is not represented within the school's religious instruction program, the prospective student will receive other instruction in a separate location during the period arranged for religious instruction.

Parents/carers may change these arrangements at any time by notifying the principal in writing.

Office use

This section is to be completed by the school and will assist in documenting specific details in relation to enrolment, including confirmation of the sighting of documentary evidence such as a prospective student's birth certificate, passport or visa and prospective student's mature age status.

Application for student enrolment form

INSTRUCTIONS

Please refer to the *Application to enrol in a Queensland State School* information sheet at the end of this form when completing this application.

Failure or refusal to complete those sections of the form marked with an (*) or to provide required documentation may result in a refusal to process your application. Sections of the form not marked (*) are optional. However, failure to complete these sections may result in the school not being eligible for important Federal and State Government funding reliant on such information. Parents of all students in Australia have been asked to provide information on their family background as part of a national initiative towards providing an education system that is fair to all students, regardless of their background. The required information includes the Indigenous status and language background of the student, and the education, occupation and language background of the parents.

If you have any questions about the enrolment form or process, or require assistance completing this form, including translation services, please contact the school in the first instance.

State School Consent

Introduction to the State School Consent Form (attached) for Maroochydore State High School

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a license for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

Media sources used

Following is a list of online and social media websites and traditional media sources where the school may publish your child's personal information or student materials subject to your consent.

- School website: www.maroochydoreshs.eq.edu.au
- Facebook:
- YouTube:
- Instagram:
- Twitter:
- LinkedIn:
- Other:

Duration

The consent applies for the period of enrolment or another period as stated in the State School Consent Form, or until you decide to limit or withdraw your consent.

During the school year there may be circumstances where the school or Department of Education may seek additional consent.

Who to contact

To return a consent, express a limited consent or withdraw consent please contact MSHS Enrolments Officer via email emp@maroochydoreshs.eq.edu.au.

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

Participation

YES I wish to participate in the Student Resource Scheme. I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.

NO I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme. I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.

This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school's SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
 - retained by the student and used at their discretion; or
 - used/consumed by the student in the classroom; or

- hired to the student for their personal use for a specified period of time.

22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
23. Parents are responsible for ensuring that any hired SRS resources provided for their child's temporary use are kept in good condition.
24. The school administration office must be notified immediately of the loss or damage to any hired item.

27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.
